Exhibit Information and Show Rules

Location of Exhibits

The exhibits will be located in the Riverside Exhibit Hall at the Hyatt Regency Chicago. The exhibit hall is carpeted.

Booth Options and Specifications

All non-island booths are sold in increments of ten foot by ten foot (10'x10') in-line spaces. Please note that you may not erect walls, partitions, decorations, or other obstructions that prohibit seeing through to neighboring spaces. Booths must not measure higher than eight feet (8') at the back wall and four feet (4') on the sides. Confine display fixtures over four feet (4') high and no higher than eight feet (8') to that area of the exhibit booth that is within five feet (5') of the back wall.

At CAP18, an island booth is any group of booths made up of four or more booths with aisles on all four sides. Island booths may not exceed 10 feet (10') in height, including any signs whether part of the booth structure or hanging from the ceiling.

Two-story or multilevel booths are not available at CAP18. Islands must have adequate see-through area and sufficient entrances of five feet (5') on all sides. For island booth requests, please submit booth design blueprints and perspective drawings to CAP Show Management at exhibits@cap.org for review no later than August 8, 2018. We will notify you within two weeks of receiving your plans if your design is acceptable "as is" or if you will be required to make changes.

Peninsula booths are not permitted (ie, an exhibitor may not rent back-to-back booths at the end of two rows and open the booth to a cross aisle).

Failure to comply with booth specifications on any size booth will require on-site modifications at the sole discretion of CAP Show Management. The exhibiting company will be responsible for any costs incurred as a result of meeting these specifications.

Fees

In-line booth: Each 10'x10' booth will sell for \$3,900; each 10'x20' booth will sell for \$7,800; and each 10'x30' booth will sell for \$11,700. A 10'x10' end booth will sell for \$4,150. A 20'x20' island booth will sell for \$19,000. For additional size booths, email exhibits@cap.org for pricing.

Each exhibiting company will receive three (3) complimentary badges per 100-square-foot booth; exhibitors may purchase additional badges at \$225 each for all exhibiting days or \$150 each for one exhibit day.

Attendee List Requests

A CAP18 attendee list is available for exhibitors to purchase for \$750 (booth space must be paid in full). To receive a preshow list approximately four weeks out and a post-show list seven to ten days after the show, you will need to submit a payment of \$750. The attendee list is to be used only for CAP18-related activity. You must send a copy of your material to exhibits@cap.org for approval prior to mailing.

Booth Space Requests

To request space at CAP18, please fill out and return the attached Hold-a-Space form and fax it to 847-832-8336 or email it to exhibits@cap.org. Please note that submitting this form does not confirm space; the CAP will send a confirmation of space to the primary contact via email. Exhibitors must pay all booth fees in full no later than Wednesday, June 28, 2018. After June 28, the CAP will accept requests to exhibit and assign space on a space-available basis after receiving full payment.

Meeting Space Requests

To request meeting space at the Hyatt Regency Chicago, please email requested date and time to exhibits@cap.org. Space is limited. Meeting space will rent for \$500 for one to three hours, \$900 for four to six hours, and \$1,200 for seven to ten hours. Companies must have a booth on the show floor to request meeting space.

Space Assignment

CAP Show Management assigns exhibit space. Indicate key competitive adjacencies you hope to avoid on the Hold-a-Space form. CAP Show Management will make every effort to honor your request. The CAP does not permit the exchange of booth fees for a supporter opportunity. Booth assignments will be announced on July 18, 2018. An email with your booth number and exhibitor kit link will be sent to you on July 18, 2018.

Payment Terms and Space Fees

The CAP will invoice all CAP18 exhibitor fees via email. If you would like to pay by credit card, please contact the Customer Financial Services department at 800-323-4040 option 1 or email arcap@cap.org once you receive your invoice. We accept American Express, VISA, or MasterCard. Again, you must pay all fees in full no later than June 28, 2018. Requests for booth space not paid in full by June 28, 2018, will be released for sale. We require full payment at time of request for all booth space requests made after June 28, 2018. CAP Show Management will not allow an exhibiting company on the exhibit floor unless booth payment is paid in full.

Cancellations

For cancellations made prior to and including June 22, 2018, a 50% cancellation fee will apply. The CAP will not issue refunds for cancellations received after June 22, 2018.

Exhibitor Promotion and Marketing

The CAP will publish exhibitor information on the CAP18 website (cap.org/CAP18), on-site printed materials, and on-site signage if received by the published dates.

Industry Workshops

The CAP must receive the title and description of your workshop in a Word document by April 12, 2018, to be included in CAP18 printed promotional material. Anything received after April 12, 2018, will be included only on the CAP18 website and registration site. Hosts are responsible for all audio/visual as well as food and beverage charges. Upon approval of your workshop, we will provide you with the hotel contact information to work directly with the hotel. On site we will provide you a lead retrieval device to be used only for your workshop. If the assigned workshop room already features CAP audio and video equipment, you are free to use it at no charge; however, you will be responsible for labor fees if such apply. The CAP has the right to determine room set-up.

Housing

Exhibitors cannot reserve sleeping rooms before they pay for booth space. The CAP has contracted a block of sleeping rooms at the Hyatt Regency Chicago. Beginning in May, exhibitors who have paid for booth space may book sleeping rooms.

Wait list

The CAP will place exhibitors requesting space after the maximum number of booths has been sold on a wait list. If space should become available, we will contact those companies in the order in which they were placed on the wait list. If your company clears the wait list, it should follow the same payment terms as listed on page 10.

Floor Plan

Prospective exhibiting companies may view the floor plan after July 18, 2018, by visiting cap.org/CAP18. The CAP reserves the right to alter the floor plan at any time.

Exhibit Space Notification

The CAP will announce booth placement no later than July 18, 2018. Find this information at cap.org/CAP18.

Lead Retrieval

The CAP will offer an electronic lead retrieval system at cap.org/CAP18, beginning July 18, 2018.

Sharing Space

No subletting or sharing of exhibit space is permitted.

Suit casing

The CAP is helping to ensure a successful CAP18 for its exhibitors by increasing measures to protect exhibitors from “suit casing” at CAP18. While all meeting attendees are invited to the exhibit hall, any attendee who is observed to be soliciting business in the aisles or other public spaces, in another company’s booth, or in violation of any portion of this prospectus will be asked to leave immediately.

Please report any violations you may observe to CAP Show Management. The CAP recognizes that suit casing may also take the form of commercial activity conducted from a hotel guest room, hospitality suite, restaurant, club, or any other public place of assembly. For the purposes of this requirement, suit casing is not allowed during or adjacent to CAP18. You must inform CAP Show Management of any hospitality suites and receive written consent prior to the event.

Official Show Decorator

The CAP has designated Global Experience Specialists (GES) as the official show decorator and dray-age firm for CAP18. A comprehensive exhibitor service kit containing order forms for all show services, shipping and on-site storage information, as well as other show details, will be available online on July 18, 2018, at cap.org/CAP18. Indemnification, Liability, and Insurance

Exhibitor is responsible for safeguarding own property at all times. While security will be provided at the front door of the exhibit hall, neither the CAP nor the Hyatt Regency Chicago guarantees the prevention of occurrences that may result in damage or loss, nor do either maintain insurance covering exhibitor property. Exhibitor assumes all responsibility for losses, claims, and/or damage arising from exhibitor activities at the Hyatt Regency Chicago and agrees to indemnify, defend, and hold harmless the Hyatt Regency Chicago, the CAP, and their respective officers, directors, servants, agents, and employees from any and all such losses, damages, and claims. Exhibitor assumes all responsibility for compliance with local, city, and federal ordinances and regulations regarding public exhibitions, including fire, safety, and health regulations.
